LE BOUT DU LIEU

As you all well know, we live in an area which offers a wide variety of wines, the Cahors wine area.

The trouble is, how and why chose one wine or one vineyard rather than its neighbour?

Being a local, my personal criteria are quality, service and ethics. And when service includes not only being polite but sharing one's knowledge and passion, it's even better!

Well, we have found such a place: the Domaine du Bout du Lieu in St Vincent Rive d'Olt, near Luzech, owned for 28 years by the Dimani family.

Whether you want to visit the Domaine, to taste or to buy, send an e-mail to leboutdulieu@orange.fr or call 05 65 30 70 80 at lunchtime or after 7:30pm. You will meet passionate, hard-working and kind individuals and you will learn everything you care to learn about the

Cahors wine, and wine-making. Monique, Arnaldo and their son Lucien offer a wide variety of carefully crafted bottled wine, from traditional wine to their prestige special vintage 'Empyrée'. Early birds might still find some of their wonderful rosé left, the 'Rosé des Nanas', the 'Chicks' Rosé'.

This is a place you won't be afraid to recommend or want to take friends and relatives to! **CN**

Coming from Luzech, make a left towards 'Le Bout du Lieu', just before the castle. Coming from Sauzet, make a right after the castle. And if you get lost, just ask any of the locals for Dimani or call 05 65 30 70 80.

WIN 6 bottles of Cahors Wine !
